Celebrating our 20th year as a PTC RUG

NOPUG @ R.A. — A review of last meeting

We had a great NOPUG meeting and would like to thank Rockwell Automation for hosting the meeting. **If you are interested in hosting a NOPUG meeting at your company, please let a NOPUG officer know.** We are always looking for new opportunities to host a meeting.

The Keynote Speaker was Raphael Nascimento, Product Management Manager, PTC (pictured on the right) and his presentation was on the future of Wildfire solutions—CREO elements. Michael Dolan presented the tips and tricks in Wildfire 5.0.

The next meeting will be on March 10, 2011 at Keithley Instruments. The theme will be on CREO and ProductPoint. If you have any questions on PTC software, then this would be a great meeting to attend.

The food, games and prizes at our meeting are always a bonus! (Family Feud pictured on right)

Since Aug. 22, 1991
- our 59th meeting

Date authored:
Dec. 2, 2010

KEITHLEY

Looking for User Presentations:
For all the users, please let us know if you would like to present in our meetings. We are always looking for volunteers to present. NOPUG also offers a \$75 incentive to users that present at a meeting.

Officer introduction (look alike pictures on left) and backgrounds were given to our RUG.

Ron Rich (pictured above) had us laughing by playing the "Family Feud".

Thank you Group for all the fun!
