

Northern Ohio PTC Users Group

To: **Potential NOPUG Vendors**

November 11, 2012

From: NOPUG Officers (www.nopug.org)

Subject: **Vendor Opportunities at NOPUG Meetings in 2013**

Dear Potential Vendor,

Past NOPUG meetings have been very successful and with your support we can make future meetings even better. Your participation would be greatly appreciated as we begin our 2013 event planning.

How would you like to:

- Showcase to 30-75 companies (100-200 engineers and managers) live at our meeting how you work with PTC software and your current business activities.
- Have exposure to over 1,100 Pro/ENGINEER users in our Group database?
- Have direct contact with PTC PLM's and/or corporate officers?
- Present live to an audience of the above individuals?

A typical agenda is comprised of:

- User(s) presentations
- PTC PLM and/or corporate officer(s) presentations
- Vendor(s) presentations (Submit your presentation for review after paying your \$375 Vendor fee and we will review all submissions and decide who will present)
- Vendor booth displays

In order to assist you in planning your schedule we are providing early notice of our 2013 meetings which run from Noon to 6:00 p.m. **Dates, locations and meeting themes are:**

- March 14, 2013 – at Magnet; theme: Creo 2.0, Detailing and Creo 3.0 preview
- July 18, 2013 – at GOJO; theme: Training, Education and Internal User Groups
- Nov. 7, 2013 – at Moen; theme: Mathcad & Simulation
- March 13, 2014 – at Keithley, Steris or Rockwell; theme: Windchill
- July 17, 2014 – at Sleepy Hollow Golf Course; 7:00 am Golf Scramble and then meeting theme: Creo 4.0 & RP

You will generate potential sales opportunities by attending and we will benefit by gaining knowledge of your products and services. The cost to you is only \$375 for this half-day event. To sign up go to our web site www.nopug.org, select Vendors (under Main Menu at left of window) and fill out the Vendor form OR email board@nopug.org. To be eligible to present, follow the web site instructions.

We are looking forward to hearing from you now so we can complete our plans for the next year of meetings. **Only the first 15 Vendors to register and pay will be guaranteed participation in each of our meetings so don't delay your reply.**

Best regards,

Michael Brattoli

NOPUG Vice-President
