

Creo 8.0 - University Student Edition - Relicense Guide

1. Temporarily disable all firewall, anti-virus and anti-spyware applications.
2. **Option 1:** Start Creo 8.0 reconfigure utility:
 - Using Windows Explorer, browse to **C:\Program Files\PTC\Creo 8.0.#.#\Parametric\bin**
represents the build code of Creo you downloaded. The actual number will vary as additional Creo builds are released.
 - Run **reconfigure.exe**.
 - Right-click **reconfigure.exe** and select  **Run as administrator** from the pop-up menu.
If you don't find reconfigure.exe in the specified folder, you will need the installation DVD image MED-100WIN-CD-450_8-#-#-#_Win64.zip that can be downloaded from [here](#).
*In this case you will run **setup.exe** from the unzipped folder.*

2. From the PTC Installation Assistant dialog box:

- Select **Reconfigure Existing software** and click **Next**.

- In the **Simple License Entry** product code field, enter the product code **BK800908EDSTUDENTEDUNI** and then click **Install Licensing**.
 - Enter your PTC username (your email address) and password.
 - Click **Login**.
- When you see the “**Success!**” message, click **Next**.
- After the reconfigure is complete, click **Finish**.

You are now ready to use Creo 8.0 - Student Edition
