## Benefits

- **No Hub Required** – Connect the bulb directly to your Wi-Fi at home
- **Manage Remotely** – Control your lights from anywhere with your tablet or smartphone using the free Kasa app (iOS, Android)
- **Color Changing Hue** – Fine-tune up to 16 million colors and adjust brightness as well as light appearance from soft white (2700k) to daylight (9000k)
- **Voice Control** – Pair to Amazon Alexa and to enable voice control
- **Circadian Mode** – Dynamically adjust light intensity and temperature to mimic natural light patterns
- **Save Energy** – Reduce energy use up to 80% without brightness or quality loss compared to a 60W incandescent bulb
- **Compatibility** – Compatible with Android, iOS and Amazon Alexa
