

# Re-publishing a Creo View Drawing Viewable in WindChill

Starting from any page in Windchill, enter the number you wish to view followed by an asterisk.

Select Enter from the keyboard or click on the magnifying glass icon.

The Navigator window will open, displaying the Search Results.

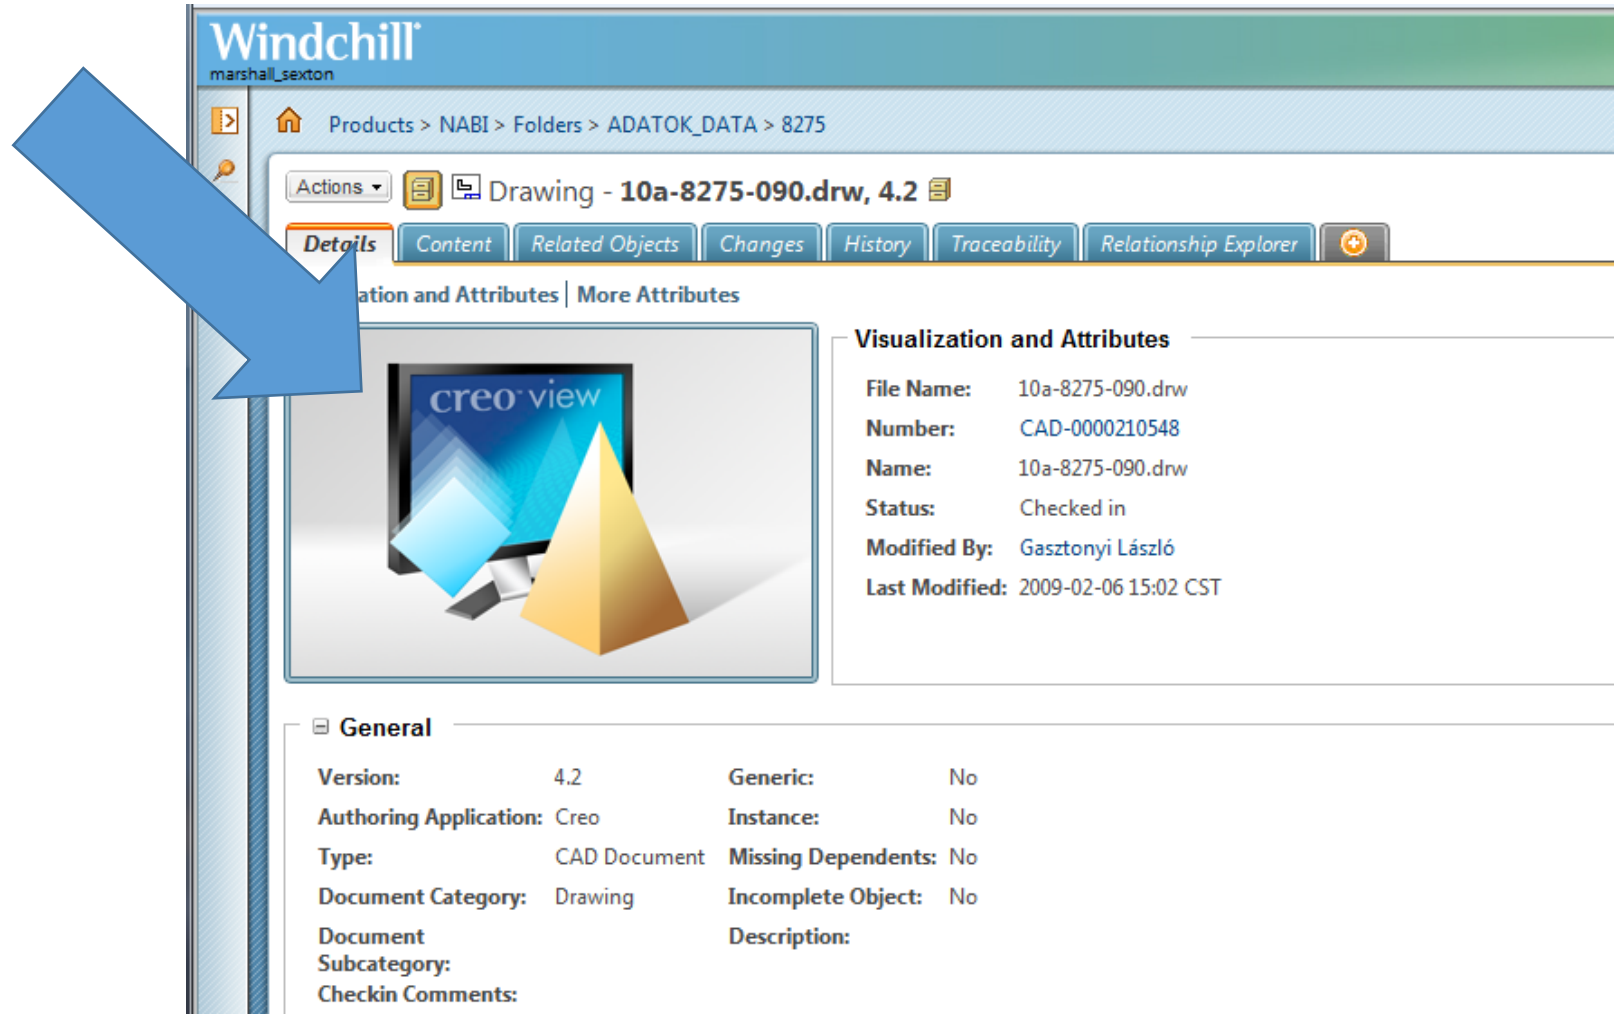

In the Number column Select the Drawing you wish to view.

The screenshot shows the Windchill Search Results interface. The top navigation bar includes 'Search' and 'Browse' buttons. Below the navigation bar, there are tabs for 'Search History and Saved Searches' and 'Advanced Search'. The search criteria are displayed as 'Criteria: Keyword=10a-8275-090\*;Type=All Types;Context=All Contexts'. The search results are shown in a table with the following columns: Number, Name, Context, Version, State, and Last Modified. There are two search results listed. A blue arrow points to the 'Number' column of the first row.

Number	Name	Context	Version	State	Last Modified
CAD-0000210548	10a-8275-090.drw	NABI	4.2	Released	2009-02-06 15:02 CST
CAD-0000210537	10a-8275-090.asm	VENDORS	4.2	Released	2009-02-06 15:02 CST

The Details page for the Drawing will open.

Select the Creo View Icon to view the object in Creo View.

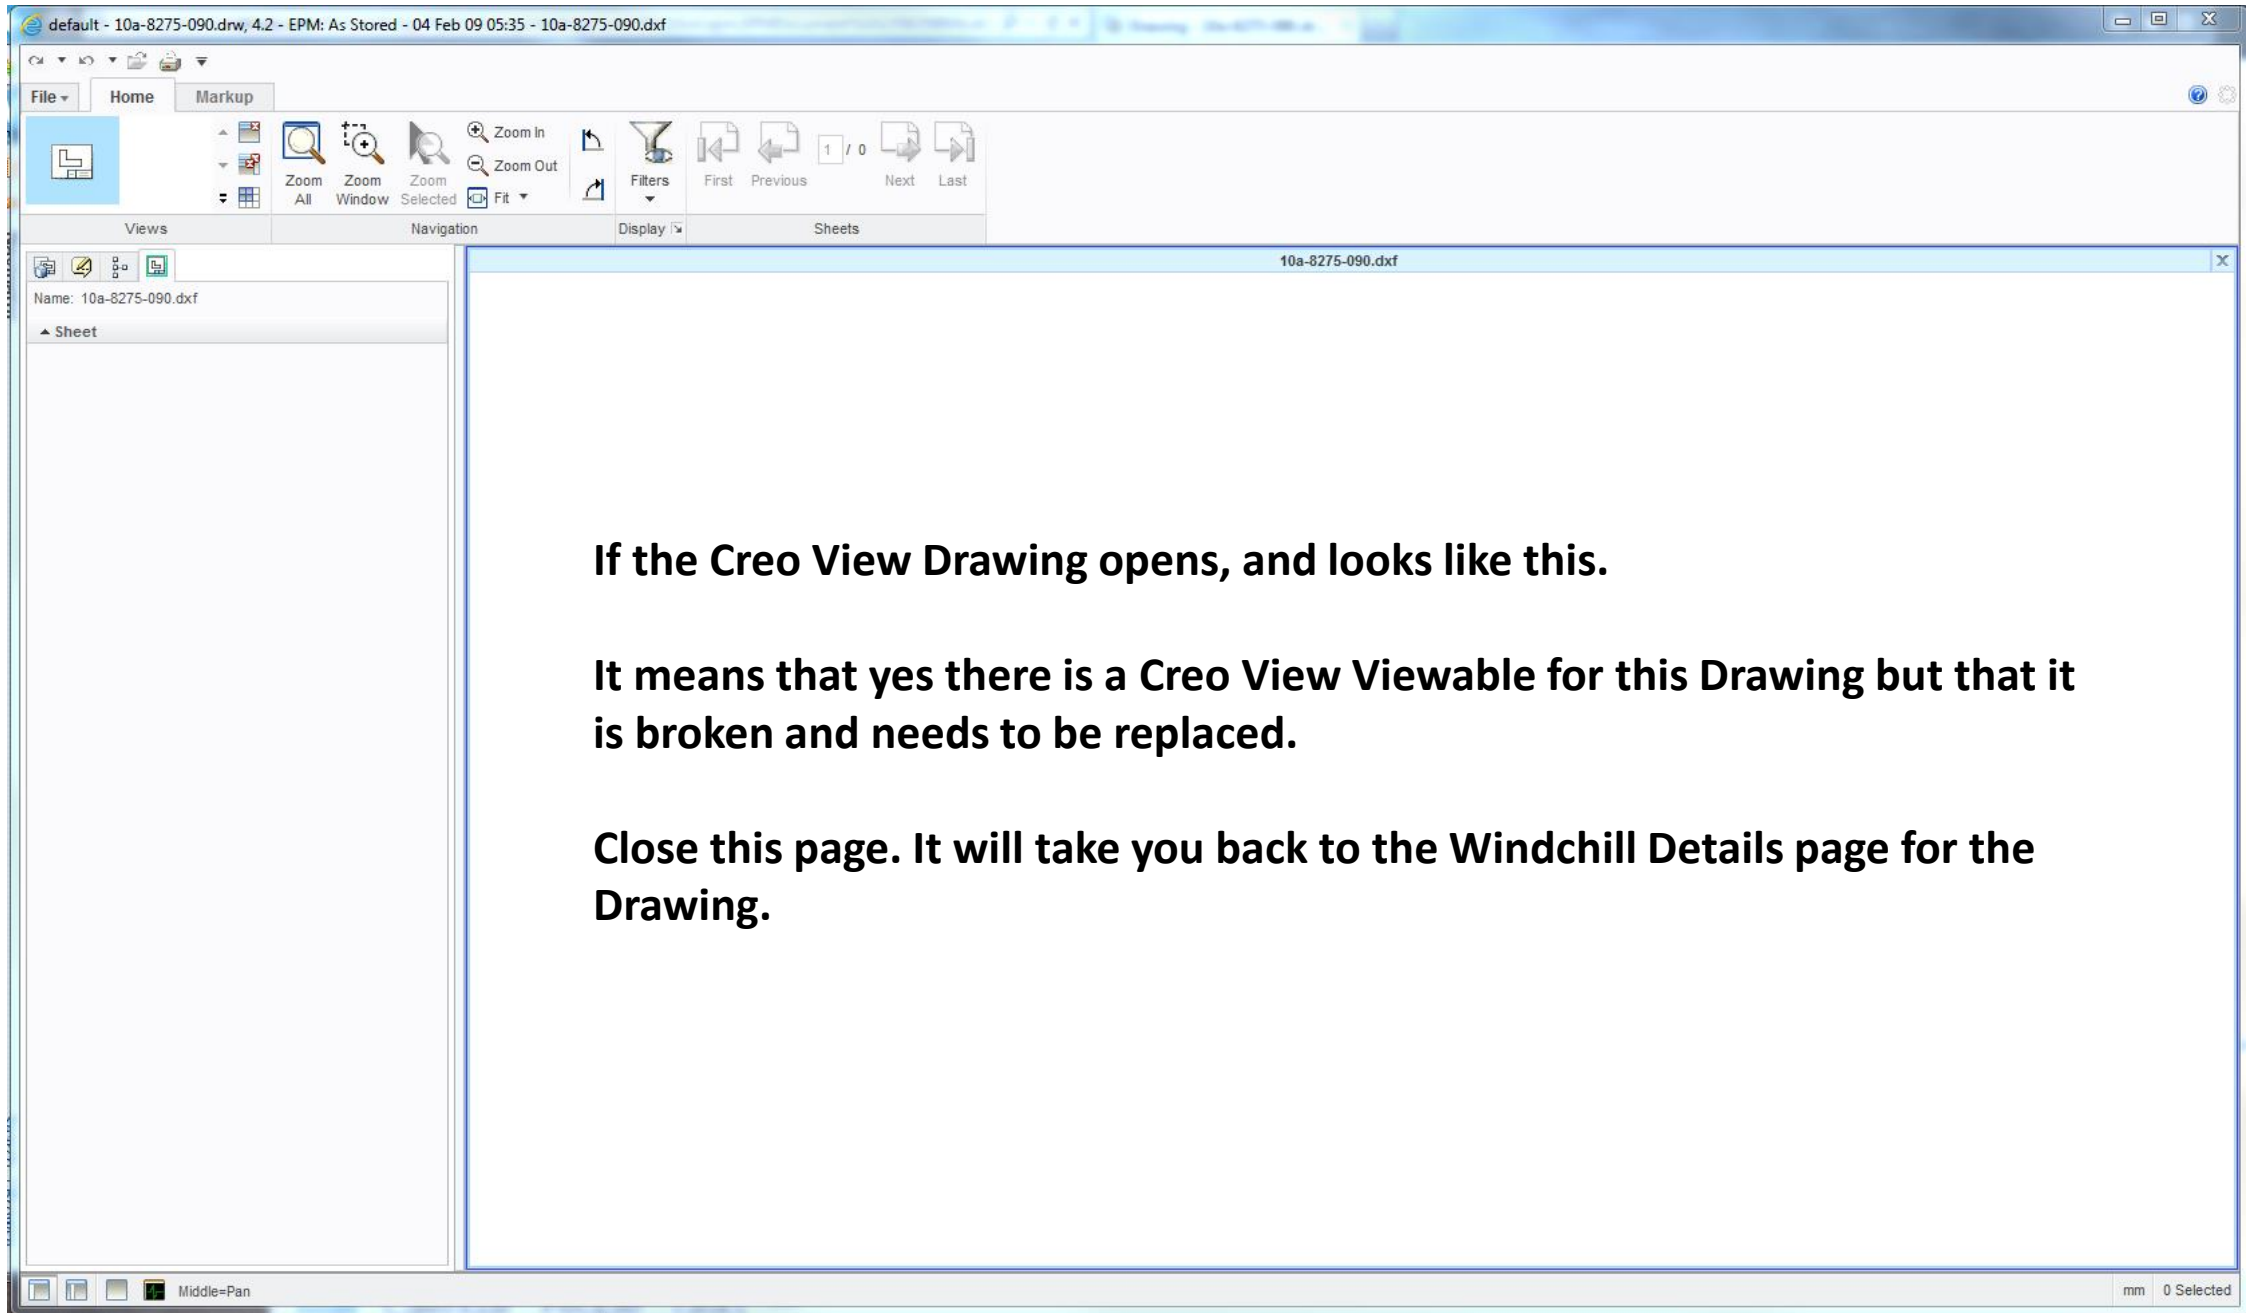

The screenshot shows the Windchill interface for a drawing. The breadcrumb path is Products > NABI > Folders > ADATOK\_DATA > 8275. The drawing title is Drawing - 10a-8275-090.drw, 4.2.
